

# NATIONAL DOG TRAINERS FEDERATION

# National Conference 2010

Sydney Exhibition & Conference Centre, Darling Harbour

*Finally.....the wait is over!*

Internationally recognised trainer, behaviour specialist and author of the three volume Magnum Opus '*Handbook of Applied Dog Behaviour and Training*'.

## STEVEN R. LINDSAY

*Steven is an Internationally renowned dog trainer and behaviour consultant who teaches handling, training and behaviour modification based on proven scientific principles. He is widely regarded as one of the worlds leading experts in dog behaviour, modification and learning processes.*

*In addition to a long career working with companion dogs, Steven participated in the U.S. Army Superdog Program, an Army Land Warfare project carried out to evaluate the feasibility of training remote-controlled scout dogs. He is a Phi Beta Kappa graduate of the University of Maryland and holds a Master's degree from Purdue University.*

Topics will be presented at an Intermediate to Advanced level. The program is not recommended for persons with no previous background/education in animal training or behaviour. The information presented will not be a rehash of the same old material. The Conference offers genuine cutting edge information designed to take your knowledge to the next level.

**Dog Training for Peak Performance**  
**- Moving from Good to Great**

**Understanding & Modifying**  
**Aggressive Behaviour**

**A Balanced Approach to Training Dogs**
